CHAPTER II: UNIVERSITY EXECUTIVE OFFICERS

Notes

The title of this chapter is being changed from "University's Title for Executive Officers." If the bylaw is listed by title only, then the only changes will be changing "shall" to "will" and renumbering.

Section 205. The Executive Vice President for Academic Affairs (revised November 1995)
The present and executive vice president for academic affairs shall be the chief academic and budget officer for the Ann Arbor campus of the University of Michigan. In this capacity, the provost and the executive vice president for academic affairs shall exercise executive responsibility in connection with the academic and budgetary programs and supporting activities.

Section 206. The Provost and Executive Vice President for Academic Affairs (revised November 1995)
The provost and executive vice president for academic affairs shall be the chief academic and budget officer for the Ann Arbor campus of the University of Michigan. In this capacity, the provost and the executive vice president for academic affairs shall exercise executive responsibility in connection with the academic and budgetary programs and supporting activities.

Proposed Regents’ Bylaws changes

The Executive Vice President and Chief Financial Officer

All executive officers of the University shall perform their duties under the general direction of the president. (See also Sec. 106.)

Reason for Proposed Change:

Consistent use of term "executive officers" instead of "officers."

Sec. 203. The University of Michigan-Dearborn: The Chancellor

The University of Michigan-Dearborn: The Chancellor

Sec. 204. The Provost and Executive Vice President for Academic Affairs (revised November 1995)
The present and executive vice president for academic affairs shall be the chief academic and budget officer for the Ann Arbor campus of the University of Michigan. In this capacity, the provost and the executive vice president for academic affairs shall exercise executive responsibility in connection with the academic and budgetary programs and supporting activities.

The following positions will report directly to the provost and executive vice president for academic affairs:

- The dean of the schools and colleges of the Division of Kinesiology
- The dean of the Medical School
- The director of the Institute of Social Research
- The director of the Museum of Art
- The director of the Libraries
- The director of the Office of Student Affairs
- The director of the Libraries
- The director of the Office of Student Affairs
- The director of the Libraries
- The director of the Office of Student Affairs

Reason for Proposed Change:

Reflect current practices.
Reason for Proposed Change: New number for by-law; incorporate job description approved by the Board of Regents in a December 1997 action item.

Sec. 2.11. The Vice President for Communications
The vice president for communications will be the official custodian of the minutes and all supporting documents of the Board of Regents and of the Seal of the University of Michigan. The vice president and secretary of the University will, in consultation with the vice president and general counsel, determine the appropriateness of the use of the Seal by parties within and outside the University, and will approve or place whenever appropriate.

Reason for Proposed Change: Incorporate job description approved by the Board of Regents in an action request effective October 1, 1998; reflect actual practices regarding the seal.

Sec. 2.12. Committee on Plant Extension
The Committee on Plant Extension shall consist of the president or his or her designee, and at least 12 additional members, with the vice president of the university serving as chairman of the committee. The vice president and the secretary of the university shall perform such other duties as the Board or the president may assign to the committee. The vice president shall, in addition, be an assistant to the president. (See also Sec. 1.06.)

Reason for Proposed Change: This committee no longer exists.

Sec. 2.13. The Vice President and General Counsel
Under the direction of the Board and the president, the vice president and general counsel will conduct the legal affairs of and provide legal advice for the University. When necessary and appropriate, the vice president and general counsel will represent the University and the Board in litigation of the University. When necessary and appropriate, the vice president and general counsel will make decisions for and manage outside legal services.

Reason for Proposed Change: To add this position to the Bylaws per job description approved by the Board of Regents in a December 1997 action item.

Sec. 2.14.3. Appointments*
All officers, faculty members, and employees of the University hold their positions by appointment by the Board of Regents or by authority conferred by the Board. Unless otherwise specifically provided by the Board, all appointments by the Board shall be made upon recommendation by the president. The Board may, however, by specific action, relieve the president of reporting new appointees in certain select categories of employees. (See also Secs. 5.06, 5.07, 5.08, 5.22, and 5.23.)

CHAPTER XI: THE SCHOOLS AND COLLEGES AND AFFILIATED UNITS
Notes
Most bylaws in this section will be reordered. If the bylaw is listed by title only, then the only changes will be changing “shall” to “will” and renumbering.

Bylaws 11.121, 11.136, and 11.171 are being deleted.

New numbering scheme:
Sec. 11.01. The A. Alfred Taubman College of Architecture and Urban Planning Executive Committee
Sec. 11.02. The School of Art and Design Executive Committee
Sec. 11.03. The Stephen M Ross School of Business Executive Committee
Sec. 11.04. The Stephen M Ross School of Business Division of Research
Sec. 11.05. The Stephen M Ross School of Business Committee on Executive Education
Sec. 11.06. The University of Michigan-Dearborn School of Arts, Sciences, and Letters Executive Committee
Sec. 11.07. The University of Michigan-Dearborn School of Education Executive Committee
Sec. 11.08. The University of Michigan-Dearborn School of Management Executive Committee
Sec. 11.09. The University of Michigan-Dearborn School of Engineering Executive Committee
Sec. 11.10. The University of Michigan-Dearborn College of Business Executive Committee
Sec. 11.11. The University of Michigan-Dearborn Committee on Academic Affairs
Sec. 11.12. The School of Education Executive Committee
Sec. 11.13. The School of Information Executive Committee

Sec. 11.30. The College of Literature, Science, and the Arts: Astronomical Observatories

11 November 8, 2004
THE UNIVERSITY RECORD
Sec. 11.31. The University of Michigan Health System
The term “the University of Michigan Health System” describes the complex of buildings associated with the University of Michigan Hospitals and Health Centers, the University of Michigan Medical School, and the University of Michigan Health Systems. The University of Michigan Hospitals and Health Centers is itself charged with responsibility and may authorize clinical programs, services, and administrative units to set the goals and objectives of the University of Michigan Hospitals and Health Centers.

Reason for Proposed Change: Reflect title of the executive director of the University of Michigan Hospitals and Health Centers as approved in November 1999 action request; delete ref. to University of Michigan Hospitals and Health Centers.

The executive board of the University of Michigan Hospitals and Health Centers is expected to make recommendations to the Board of Regents and to director and chief executive officer of the University of Michigan Hospitals and Health Centers.

Reason for Proposed Change: Reflect title of the executive director of the University of Michigan Hospitals as approved in November 1999 action request; delete ref. to University of Michigan Hospitals and Health Centers.

The executive board of the University of Michigan Hospitals and Health Centers is expected to make recommendations to the Board of Regents and to director and chief executive officer of the University of Michigan Hospitals and Health Centers.

Reason for Proposed Change: Reflect title of the executive director of the University of Michigan Hospitals and Health Centers as approved in November 1999 action request; delete ref. to University of Michigan Hospitals and Health Centers.

The executive board of the University of Michigan Hospitals and Health Centers is expected to make recommendations to the Board of Regents and to director and chief executive officer of the University of Michigan Hospitals and Health Centers.

Reason for Proposed Change: Reflect title of the executive director of the University of Michigan Hospitals and Health Centers as approved in November 1999 action request; delete ref. to University of Michigan Hospitals and Health Centers.

The executive board of the University of Michigan Hospitals and Health Centers is expected to make recommendations to the Board of Regents and to director and chief executive officer of the University of Michigan Hospitals and Health Centers.

Reason for Proposed Change: Reflect title of the executive director of the University of Michigan Hospitals and Health Centers as approved in November 1999 action request; delete ref. to University of Michigan Hospitals and Health Centers.

The executive board of the University of Michigan Hospitals and Health Centers is expected to make recommendations to the Board of Regents and to director and chief executive officer of the University of Michigan Hospitals and Health Centers.

Reason for Proposed Change: Reflect title of the executive director of the University of Michigan Hospitals and Health Centers as approved in November 1999 action request; delete ref. to University of Michigan Hospitals and Health Centers.

The executive board of the University of Michigan Hospitals and Health Centers is expected to make recommendations to the Board of Regents and to director and chief executive officer of the University of Michigan Hospitals and Health Centers.
Reason for Proposed Change: Reflect title for University of Michigan Hospitals as approved in November 1997 action request; reflect current practice; renumber.

Sec. 11.46. The School of Music Executive Committee

The dean of the School of Music shall have priority for available patients and the operation of its programs of scientific research, construction, scientific research, and preventative psychiatry shall be under the direction of the dean and executive committee of the governing faculty to be appointed by the Board on recommendation by the president and responsible to the provost and executive vice president for academic affairs.

The faculty committee will consist of the director of the School of Music, the faculty member who serves as a member of the governing faculty of the Schools of Dental Medicine and Public Health Centers: Admission of Patients

Patients will be admitted to the University of Michigan Hospitals and Health Centers for diagnosis, care, and treatment which shall be in accordance with rules and regulations formulated from time to time by the executive board of the University of Michigan Hospitals and Health Centers and approved by the Board of Regents. The following circumstances may be admitted:

1. Public patients: Patients with mental disease who seek treatment under the care of the State of Michigan or its hospitals or in the hospitals of the State whose hospitalization is authorized under the statutes of Michigan.
2. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
3. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
4. Present patients: Patients who have been admitted to the University of Michigan Hospitals and Health Centers at the time of the Board of Regents' approval for the academic year 1997-1998 shall have priority for available facilities.
5. Private patients: Patients who seek admission to private hospitals or who have been transferred to private hospitals from the University of Michigan Hospitals and Health Centers shall have priority for available facilities.
6. Emergency patients: Patients who have an emergency condition need of immediate medical care.

Reason for Proposed Change: Reflect title for University of Michigan Hospitals as approved in November 1997 action request; reflect current practice; renumber.

Sec. 11.45. The Advi- sory Board on Intercollegiate Athletics

The University of Michigan Hospitals and Health Centers records shall be maintained for the purpose of conducting research and offering curricular in movement science and sports management and communications. It shall also be in the charge of a director of the University Hospitals as approved in November 1997 action request; reflect current practice; renumber.

Reason for Proposed Change: Reflect current practice; reflect title for University of Michigan Hospitals as approved in November 1997 action request; renumber.

Sec. 11.44. The University of Michigan Hospitals and Health Centers: Admission of Patients

Patients will be admitted to the University of Michigan Hospitals and Health Centers for diagnosis, care, and treatment which shall be in accordance with rules and regulations formulated from time to time by the executive board of the University of Michigan Hospitals and Health Centers and approved by the Board of Regents. The following circumstances may be admitted:

1. Public patients: Patients with mental disease who seek treatment under the care of the State of Michigan or its hospitals or in the hospitals of the State whose hospitalization is authorized under the statutes of Michigan.
2. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
3. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
4. Present patients: Patients who have been admitted to the University of Michigan Hospitals and Health Centers at the time of the Board of Regents' approval for the academic year 1997-1998 shall have priority for available facilities.
5. Private patients: Patients who seek admission to private hospitals or who have been transferred to private hospitals from the University of Michigan Hospitals and Health Centers shall have priority for available facilities.
6. Emergency patients: Patients who have an emergency condition need of immediate medical care.

Reason for Proposed Change: Reflect title for University of Michigan Hospitals as approved in November 1997 action request; reflect current practice; renumber.

Sec. 11.43. The University of Michigan Hospitals and Health Centers: Admission of Patients

Patients will be admitted to the University of Michigan Hospitals and Health Centers for diagnosis, care, and treatment which shall be in accordance with rules and regulations formulated from time to time by the executive board of the University of Michigan Hospitals and Health Centers and approved by the Board of Regents. The following circumstances may be admitted:

1. Public patients: Patients with mental disease who seek treatment under the care of the State of Michigan or its hospitals or in the hospitals of the State whose hospitalization is authorized under the statutes of Michigan.
2. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
3. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
4. Present patients: Patients who have been admitted to the University of Michigan Hospitals and Health Centers at the time of the Board of Regents' approval for the academic year 1997-1998 shall have priority for available facilities.
5. Private patients: Patients who seek admission to private hospitals or who have been transferred to private hospitals from the University of Michigan Hospitals and Health Centers shall have priority for available facilities.
6. Emergency patients: Patients who have an emergency condition need of immediate medical care.

Reason for Proposed Change: Reflect title for University of Michigan Hospitals as approved in November 1997 action request; reflect current practice; renumber.

Sec. 11.42. The University of Michigan Hospitals and Health Centers: Admission of Patients

Patients will be admitted to the University of Michigan Hospitals and Health Centers for diagnosis, care, and treatment which shall be in accordance with rules and regulations formulated from time to time by the executive board of the University of Michigan Hospitals and Health Centers and approved by the Board of Regents. The following circumstances may be admitted:

1. Public patients: Patients with mental disease who seek treatment under the care of the State of Michigan or its hospitals or in the hospitals of the State whose hospitalization is authorized under the statutes of Michigan.
2. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
3. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
4. Present patients: Patients who have been admitted to the University of Michigan Hospitals and Health Centers at the time of the Board of Regents' approval for the academic year 1997-1998 shall have priority for available facilities.
5. Private patients: Patients who seek admission to private hospitals or who have been transferred to private hospitals from the University of Michigan Hospitals and Health Centers shall have priority for available facilities.
6. Emergency patients: Patients who have an emergency condition need of immediate medical care.

The University of Michigan Hospitals and Health Centers: Professional Service

The University of Michigan Hospitals and Health Centers shall be rendered the services of departments or units of the Medical School, to the extent that the capability of the School is required to meet the requirements of the patients served by the University of Michigan Hospitals and Health Centers. The provisions of this bylaw shall not apply to patients of the University of Michigan Hospitals and Health Centers or to patients seeking admission as private patients of members of the University of Michigan Hospitals as approved in November 1997 action request; reflect current practice; renumber.

Reason for Proposed Change: Reflect title for University of Michigan Hospitals as approved in November 1997 action request; reflect current practice; renumber.

Sec. 11.41. The University of Michigan Hospitals and Health Centers: Admission of Patients

Patients will be admitted to the University of Michigan Hospitals and Health Centers for diagnosis, care, and treatment which shall be in accordance with rules and regulations formulated from time to time by the executive board of the University of Michigan Hospitals and Health Centers and approved by the Board of Regents. The following circumstances may be admitted:

1. Public patients: Patients with mental disease who seek treatment under the care of the State of Michigan or its hospitals or in the hospitals of the State whose hospitalization is authorized under the statutes of Michigan.
2. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
3. University of Michigan patient: University of Michigan patients shall have priority for available facilities.
4. Present patients: Patients who have been admitted to the University of Michigan Hospitals and Health Centers at the time of the Board of Regents' approval for the academic year 1997-1998 shall have priority for available facilities.
5. Private patients: Patients who seek admission to private hospitals or who have been transferred to private hospitals from the University of Michigan Hospitals and Health Centers shall have priority for available facilities.
6. Emergency patients: Patients who have an emergency condition need of immediate medical care.
