### Proposed Revision of Regents' Bylaw 11.52

*The following proposed revisions to Regents' Bylaw 11.52 have been approved by the School of Public Health Executive Committee and endorsed by the dean and the executive officers. Please send any comments to publiccomments@umich.edu by June 4.*

#### Sec. 11.52. The School of Public Health: The Executive Committee

The executive committee will consist of the dean and six members of the faculty to be appointed by the board on recommendation by the president. The appointed members will hold office for three two years, with reelection for a second consecutive term permitted. If a committee member has served two consecutive terms, he/she must sit out one election cycle before being eligible for reelection, and the terms will be adjusted so that two will expire each year. Members will not be eligible for reappointment until after the lapse of one year. The dean will be chair of the committee.
